SEPTEMBER 2022

**Ganga
International
School Kablana**

Honourable chairman's message

It is indeed a special moment that GIS Kablana is bringing out its E-Newsletter for the September month.

The school has made a significant progress in this period of time. We believe that only through collaborative efforts we can achieve more to benefit our students.

I convey my best wishes to the Principal, Faculty and students of our school for the success and growth in all their future and endeavour.

Teacher's Day 5th September 2022

Teacher's day is celebrated in the country on the birthday of second President of India who himself was a brilliant teacher. GISK celebrated this day with great fun and enthusiasm. There was a **Special Assembly** in which students from Pre- primary to Primary wing performed a **Group Dance** and showed their love for their teachers. After this there was a **Skit**, dedicated to teachers, in which students from grade VI-VIII participated. Another special attraction of the day was, students from grade XII who dressed up as teachers and expressed their gratitude for their mentors by enacting their roles. Ms. Meenakshi (NTT Teacher) and Ms. Sana (TGT Social Sci.) were the Incharges for this event. All the students made beautiful cards for their teachers. At the end there was a **Lunch Party and a Get Together** organised by our School Principal Ms. Usha Chauhan for all the teachers of GISK at Connaught Place.

Hindi Diwas | 14th September 2022

Hindi Diwas is celebrated on 14th September every year. At GISK many activities were conducted on this day, in which maximum number of the students participated enthusiastically. For LKG to UKG **Kavita Vachan Activity** was organised, for grade VI-VIII **Slogan Writing Activity** and for grade IX-XII **Essay Writing Activity** was conducted. All the activities were organised by the Hindi Department of the school. This whole event encouraged students to admire and respect Hindi as their Mother Language.

शिक्षा में नवाचार लिए गंगा ग्रुप ऑफ इंस्टीट्यूशंस में पायनियर्स रिसर्च एंड डेवलपमेंट सेल की शुरुआत

हिरन कूदना। देश में हो रहे राजनीतिक, आर्थिक, सामाजिक एवं सांस्कृतिक परिवर्तनों के कारण शिक्षा के क्षेत्र में परिवर्तन आवश्यक है। भारतीय परिप्रेक्ष्य एवं विश्व परिप्रेक्ष्य से शिक्षा में नवाचार एवं नूतन आयामों की आवश्यकता को समझते हुए गंगा समूह ने शिक्षा के स्तर को सामान्य से उच्चतम बनाने के लिए एक विशेष समिति का गठन किया जिसको नाम दिया 'थिंक टैंक'। इसके अंतर्गत सभी संस्थानों, कॉलेजों और विद्यालयों के प्रमुखों को शामिल किया गया।

संस्थापक, अध्यक्ष और मेंटर डॉक्टर सुशील गुप्ता ने छात्रों के चौमुखी तथा समग्र विकास के लिए नवीन विचारों और शैक्षणिक विधियों का पता लगाने और उन्हें प्राथमिकता पर लागू करने की भावना से ही थिंक टैंक का गठन किया है। आर एंड डी सेल का

पहला मंथन सत्र 15 सितंबर 2022 को गंगा इंटरनेशनल स्कूल-हिरन कूदना के परिसर में, स्कूल में आयोजित किया गया था। श्री भरत गुप्ता, अध्यक्ष, गंगा ग्रुप ऑफ इंस्टीट्यूशंस श्री नेगी, अध्यक्ष सलाहकार, जी आई एस और सभी एचओआईएस व सभी संस्थानों के जीजीआई थिंक टैंक के प्रतिनिधि बैठक में शामिल हुए। जीआईएस हिरन कूदना की प्राचार्या स्वाति जोशी जी ने इस बैठक की मेजबानी की। इस बैठक में विचार विमर्श के उपरांत सुझाव दिया कि पूर्व छात्रों

के साथ जुड़े रहते हुए एक मजबूत और स्नेहिल संबंध बनाए रखने के लिए सभी संस्थानों के पूर्व छात्र पंजीकृत होने चाहिए साथ ही इस बात पर भी जोर दिया कि छात्रों को डिजिटल साक्षरता, बेटी बचाओ अभियान और सड़क सुरक्षा जैसी सामुदायिक सेवाओं में शामिल करना चाहिए जिससे समाज और राष्ट्र को बेहतर बनाने की दिशा में पहल होगी। इस बैठक के दौरान जीजीआई के अध्यक्ष श्री भरत गुप्ता ने सुझाव दिया कि अंतरराष्ट्रीय स्तर पर विद्यार्थियों को योग्य बनाने और

उन्हें अपनी विशेष पहचान प्राप्त कराने के लिए सभी संस्थानों में विदेशी भाषाओं के पाठ्यक्रम जैसे- जापानी और जर्मन को शुरू किया जाना चाहिए।

विशेष समिति के सदस्यों ने आपस में चर्चा और विचार विमर्श किया जिसके उपरांत अनेक महत्वपूर्ण विचार निष्कर्ष रूप में सामने आए और उन्हीं को आधार मानकर शैक्षणिक रणनीतियाँ तैयार की गईं जो आगामी माह के दौरान सभी शाखाओं में लागू की जाएंगी। थिंक टैंक समिति के सदस्य काफी उत्साही थे और उन्होंने सर्वसम्मति से विद्यालय प्रशासन को शिक्षा के प्रति नए दृष्टिकोण को सक्रिय रूप से आगे बढ़ाने का आश्वासन दिया।

इन समर्पित शिक्षाविदों ने छात्रों के समग्र विकास के लिए नवाचार का स्वागत किया और विद्यालय के अध्यक्ष महोदय का आभार व्यक्त किया।

Science in daily life

Science is one of humankind's blessings. It has had a significant part in enhancing the standard of living of mankind. In every aspect of our lives, science is omnipresent and omnipotent. Science is the main protagonist in every part of our lives.

Science is a systematic and logical study into how the universe works. Science is an ever-changing subject. Science is also defined as the systematic observation, experiment, and measurement of the nature and behaviour of the material and physical universe, as well as the formulation of laws to represent these facts in general terms.

Science is involved in our life like cooking, eating, breathing, driving, playing, walking (friction) etc. It involves our modern day means of transport older days carts, the fabric we wear the brush and tooth paste we use to clean our teeth, Deodorants, talcum powder, face creams, shampoos, oil, crude oil, we use to iron our clothes, Air conditioners, Even the house in which we live is a product of science. Everything is consequence of advancement of Science. We can't imagine life without science.

Observing the magic and importance of science, we can say that it has a vast use in all fields of human life. It is of great importance to make our life easier. It gives an answer to all curiosities related to life. It gives wings to our imagination by its facts and theories.
