MISSION

The mission of the school is to encompass the all-round development of every student and ensure a progressive expansion of innate abilities. The primary thrust of the school is to undertake scholarly activities to expand the horizon by providing them knowledge and cultivating a global outlook. With a view of setting higher goals and achieving new milestones, team GIS believes in striving tirelessly towards excellence. We at GIS are committed to transform the students' dreams into reality.

VISION

Providing And Maintaining Quality Education

Our Focus..... Child Individuality

Our Endeavour....Harmonious Blend Of Technology

Our Aim.... Holistic Development Of The Personality

Our Desire to... See School At The Top & To Develop Skills in the Students

From Chairman's Desk

Education is not limited to schools, colleges, or universities; it is a lifelong process. While no institution can teach everything, schools play a vital role by equipping learners with the basic tools and fundamental knowledge needed to learn independently. In today's learning environment, teachers act as facilitators, and schools evolve into centers of human resource development—nurturing talents, encouraging creativity, and shaping thought processes and behavior beyond examinations. Quality education builds capable leaders who contribute to national progress, and the private sector plays a key role with its expertise, resources, and infrastructure.

Inspired by these ideals, the Ganga Group of Institutions strives for excellence through its wide network of schools and higher education institutes across Delhi, Haryana, and Punjab. These institutions provide quality education from primary to professional levels, including teacher education, engineering, management, and architecture programs.

I congratulate the Principal and staff of Ganga International School, Kablana for achieving high standards through dedication and hard work. The school's sportspersons have earned recognition at national and international levels, and its students continue to secure admissions in premier institutions.

With Best Wishes
Dr. Sushil Gupta

From
Principal's Desk

The school is a place where children are encouraged to say " I see it, I get it, I can do it." Education has always been a cornerstone of society, the pillar on which the bulwark of human existence rests, the leading light as mankind made his way in quest of the unknown. Every educationalist strives to until in every student a sense of virtue and wisdom, sensitivity to the needs of others, the skills, the attitudes and habits that would help them explore and excel, a quest for knowledge and power of action. All of these would propel each one to an all important goal- Excellence.

We at Ganga International School, endeavour to inspire and empower our students to be lifelong learners, critical thinkers and productive members of ever changing society. Students are encouraged to channelize their potential in pursuit of excellence in a holistic, student- centred environment. The school, fortitude and acceptance of individual differences. I am proud of the parents and the teachers who care, nurture and reassure the children so that they grow into mature, sensitive and responsible citizens of the country.

As someone who has a wonderful opportunity to shape over 1000 brilliant minds each day, I assure that our school will always remain the foremost temple of learning, where there are " equal opportunities to all so that they rise to their full potential." Let us all journey together to approximate the aim of the humanity.

Warm Regards,
Ms. Shilpy Chadha
(Principal)

Achivements

Achievement in Shot Put

Our school proudly congratulates our talented student Diya from class XII A for securing 1st Position in Shot Put at the Block Level Games and earning selection for the District Games.

This achievement reflects dedication, consistent practice, and true sporting spirit. The school community wishes the athlete continued success at the district level and applauds this proud accomplishment.

Achievement in Chess

Our school proudly congratulates our talented chess player Tanish Gulia from class VI for securing 2nd Position in the Block Level Chess Competition and earning selection for the District Level Games.

This achievement reflects excellent strategy, focus, patience, and dedication. The school wishes the student continued success at the district level and applauds this proud accomplishment.

Block Level Champions

Our outstanding volleyball team for secured 1st Position in the Block Level Volleyball Tournament and earning a proud selection for the District Level Games. This incredible achievement is the result of dedication, teamwork, discipline, and relentless hard work. Your passion for the game and never-give-up spirit have brought immense pride to our school and inspired everyone around you.

Here are our Champion who participated- Mayanak(XIIC),Mayanak(XIIA),Takshay,Aryan,Dhruv,Arjun, Veer,Lakshay,Vishesh

Alumni Achivements

Proud Moment for our School

Our school proudly celebrated the remarkable achievement of its alumnus Rahul, who represented his team at the International Circle Kabaddi Tournament in New Zealand.

Rahul was honoured with the prestigious title of Best Catcher, while his team secured 1st Position in the tournament. To celebrate his success, the school invited him to the campus, where the management and staff warmly congratulated him and appreciated his dedication, hard work, and sportsmanship.

Arjun's Remarkable Sporting Achievement

Our school proudly congratulates Arjun(Alumnus) on his outstanding performance at the 4th National Shuttlecock Championship 2026 in Nanded, Maharashtra, where he won 1 Gold, 5 Silver, and 1 Bronze Medal and contributed to the Overall Boys' Runner-Up title.

He has also been selected to represent India at the 12th Shuttlecock World Championships in Hagen, Germany, from August 25–29, 2026. His achievement reflects his dedication, discipline, and perseverance and is a proud moment for the entire school community.

C.B.S.E RESULT 2025-26 (X-XII)

FELICITATION CEREMONY 2025-26

With immense pride and joy, our school celebrated the achievements of our young stars, honouring their hard work, dedication, and success.

The ceremony witnessed the enthusiastic presence of parents, who cheered and encouraged the achievers. Mesmerising dance performances and an engaging skit added charm to the celebration. The joyful graduation cap toss symbolised new beginnings and bright futures.

Congratulations to all our achievers. Keep shining and reaching new heights!

BACK TO SCHOOL

A Bright Beginning, A Joyful Welcome

The new academic session 2026–27 commenced with enthusiasm and joy at our school. The first day was made special through a warm Tilak Welcome Ceremony for LKG and UKG students. Welcome cards were also distributed to students from LKG to Class IX as a token of love and encouragement.

A colourful Selfie Point was set up for students of LKG, UKG, Classes I and II, capturing their cheerful first-day memories. Various activity-based learning activities were conducted, including “My Green Promise” in EVS, “Ek Shabd se Sarthak Shabd Banaiye” in Hindi, and foundational activities on prepositions and concepts for primary classes.

The day concluded on a happy and inspiring note, creating a welcoming atmosphere filled with learning, creativity, and excitement for the new session.

SPECIAL ASSEMBLY

Baisakhi Celebration

A vibrant Special Assembly on Baisakhi was organised with great enthusiasm and joy. Students of Classes of III to V learned about Baisakhi as a harvest festival, a symbol of prosperity and new beginnings, and its significance in Sikh history.

The celebration featured an energetic dance performance ,adding colour and festive spirit to the occasion. The assembly beautifully promoted cultural awareness, unity, and togetherness.

A joyful celebration of culture, tradition, and new beginnings!

Jallianwala Bagh Tribute

A meaningful Special Assembly was conducted at to pay tribute to the martyrs of Jallianwala Bagh. Students of classes VI to VIII presented an informative and heartfelt video presentation, highlighting the significance of this historic event and the sacrifices made during India's freedom struggle.

Through their confident speeches and sincere participation, students expressed respect for the martyrs and conveyed a strong message of courage, unity, and patriotism. The assembly also helped enhance students' historical awareness, confidence, and speaking skills.

Dr. B. R. Ambedkar

A meaningful morning assembly was conducted on the inspiring life and values of Dr. B. R. Ambedkar. Students of class VI confidently shared their thoughts on his courage, determination, and belief in education, equality, and justice.

Our teacher Mr. Naveen (PGT Political science) added valuable insights on respect, perseverance, and self-belief, making the session thoughtful and engaging. The assembly left everyone inspired and motivated to uphold these values in their lives.

SPECIAL ASSEMBLY

World Earth Day

A special morning assembly was conducted by the students of class VI to VIII on World Earth Day to create awareness about protecting our planet and adopting eco-friendly habits. Students shared meaningful thoughts on keeping the environment clean and green, reducing plastic use, managing waste, and following the 3Rs – Reduce, Reuse, and Recycle.
The assembly highlighted the importance of planting trees, conserving resources, and taking small steps towards a sustainable future. The programme concluded with the inspiring message, “Save Earth Today for a Better Tomorrow.”

Labour Day

A special assembly was conducted by the students of Class I to celebrate Labour Day. Each student participated individually and showcased their talent through speeches, presentations, and activities.

The assembly highlighted the importance of dignity of labour and encouraged students to respect and appreciate the contribution of workers in our daily lives.
The students displayed great confidence and enthusiasm.

World Health Day Celebration

World Health Day was celebrated at our school with great enthusiasm to promote awareness about health, hygiene, and a healthy lifestyle. Teachers guided students of class II to VI on the importance of a balanced diet, regular exercise, personal hygiene, and positive thinking.

A short informative video was shown to make students understand healthy habits in an interesting way. Students also participated enthusiastically in poster making, slogan writing, and other creative activities related to health.

Our Kindergarten students enthusiastically participated in the “Throw, Jump & Hit” activity .The fun-filled activity encouraged children to develop balance, coordination, motor skills, confidence, and teamwork through active play.

The tiny tots enjoyed every moment with great energy and excitement, making the activity a joyful and enriching experience.

ACTIVITIES

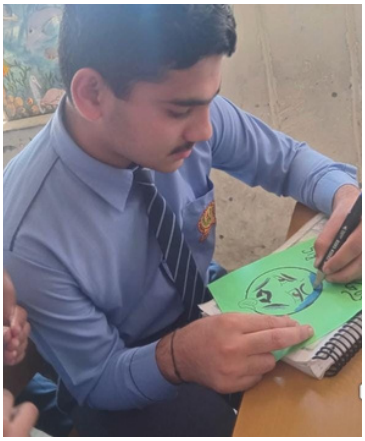

An engaging storytelling activity was conducted for the Pre-Primary learners to develop their interest in stories and learning. The teacher used voice modulation, expressions, and creative props to make the story interactive and lively.
The students participated enthusiastically and remained attentive throughout the session. The activity helped enhance their listening skills, imagination, creativity, and language development, making learning enjoyable and meaningful.

Happiness is a state of activity.

Students of Class II visited the Composite Lab for an interactive session on internal organs. They learned about the heart, lungs, stomach, and brain through models and visuals.

The students actively participated, asked questions, and explored how these organs work together to keep the body healthy. The hands-on experience made learning engaging, meaningful, and memorable.

These activities encouraged students to explore books creatively while enhancing their reading, speaking, imagination, critical thinking, and communication skills. The celebration was an enjoyable and enriching experience, promoting a strong culture of reading and learning among students.

Students of Class II participated in an engaging and informative ORS (Oral Rehydration Solution) Activity. They learned about the importance of hydration and how ORS helps maintain fluid balance, particularly during hot weather and illness.

Through hands-on participation, students prepared the ORS solution step-by-step and gained practical knowledge about its importance. The activity promoted awareness of healthy habits while making learning interactive, meaningful, and enjoyable.

ACTIVITIES

Students of classes IV to V of our school enthusiastically participated in a creative Newspaper Craft Activity. Using simple newspapers, the young artists crafted beautiful flowers and butterflies, showcasing their imagination and creativity.

The activity enhanced their artistic and fine motor skills while promoting awareness about reuse and recycling. It also encouraged students to transform everyday materials into creative and meaningful art, making the learning experience enjoyable and engaging.

Happiness resides in active, virtuous states

Students of Classes I & II of our school enthusiastically participated in a Show & Tell Activity. The young learners brought their favourite objects and spoke about them with confidence, enthusiasm, and creativity.

The activity helped enhance their speaking skills, vocabulary, communication, and self-confidence while encouraging them to overcome stage fear. The cheerful presentations reflected the students' growing confidence and expressive abilities, making it a joyful and meaningful learning experience.

Students of Class VIII enthusiastically participated in an engaging "Float and Sink" activity to understand the effect of salt on the density of water. Through a simple hands-on experiment, students observed that a lemon sank in plain water but floated in salt water.

Class IV students enthusiastically participated in a Potluck Activity, bringing a variety of homemade dishes to share with their classmates.

The activity promoted the values of sharing, caring, togetherness, and respect for diversity. Students enjoyed different dishes while learning about food prepared in various homes.

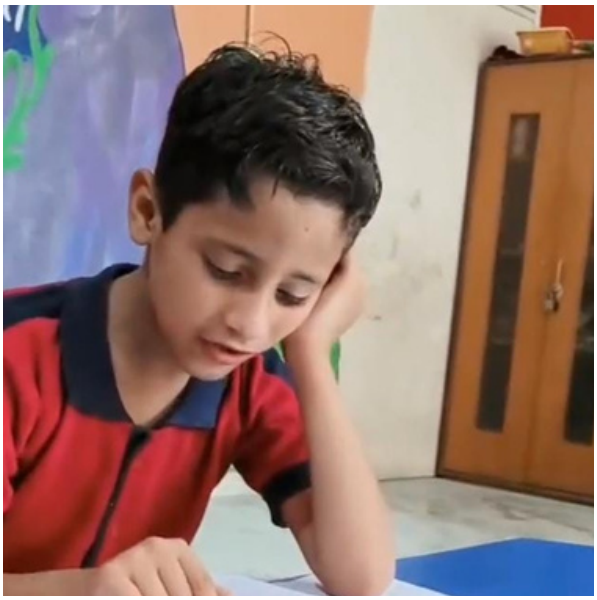

ACTIVITIES

Students of Pre -Primary wing our school enthusiastically participated in a Fine Motor Fishing Activity designed to develop hand-eye coordination, finger control, concentration, and motor skills.
Through this fun, hands-on activity, students carefully caught colourful fish while developing patience, focus, and confidence. The activity made learning enjoyable while strengthening skills essential for writing, drawing, and everyday tasks.

Happiness resides in active, virtuous states

Students of Class II actively participated in an engaging activity on Good Posture. The session focused on the importance of maintaining correct posture while standing, sleeping, studying, reading, and writing.
Through demonstrations and interactive discussions, students learned to differentiate between good and bad posture and understood the importance of adopting healthy habits in their daily lives.
The activity enhanced their awareness and encouraged them to practise proper posture for a healthy lifestyle.

Students of Pre- Primary wing of our school enthusiastically participated in the Tall and Short Activity, exploring the concept of height through fun and interactive tasks.
By comparing objects and classmates, students learned to identify differences between tall and short while developing observation, reasoning, and communication skills. The activity encouraged teamwork, active participation, and confidence, making learning enjoyable and meaningful.

CELEBRATIONS

Earth Day – Cleanliness Activity

On the occasion of Earth Day, a meaningful Cleanliness Activity was organized at our school by the Kindergarten students to class II to promote environmental awareness. Students enthusiastically cleaned their surroundings, collected waste responsibly, and pledged to keep the environment clean and green.

The activity emphasized the importance of teamwork, responsible waste management, and reducing pollution. It encouraged students to adopt eco-friendly habits and contribute towards a cleaner, greener, and healthier Earth

World Athletics Day Celebration

Our school celebrated World Athletics Day with great enthusiasm. Students from all classes participated in age-appropriate races and fun-filled activities such as the Kangaroo Race, Sack Race, 50-Metre Race, and 100-Metre Race.

The event provided students with an opportunity to showcase their athletic skills while promoting discipline, teamwork, sportsmanship, and healthy competition. It was an enjoyable and memorable day filled with energy and team spirit.

Mother's Day Celebration

Our school celebrated Mother's Day with great enthusiasm and love, honouring the unconditional care, strength, and affection of every mother.

The tiny tots and young learners expressed their feelings through beautiful art and craft activities, cards, and handmade gifts. The celebration was further enriched with dance performances, songs, emotional skits, and fun-filled activities, creating an atmosphere of joy and happiness.

Paper Mache Workshop

A creative and engaging Paper Mache Workshop was successfully conducted at our school under the guidance of Ms. Geeta Prabha, Principal, Ganga Institute of Education.

Students from classes VI to IX participated enthusiastically and learned to create beautiful, eco-friendly items using paper mache. The hands-on session enhanced their creativity, artistic skills, teamwork, and awareness of recycling and sustainability.

The workshop was an enjoyable and enriching learning experience for all. The school expressed heartfelt gratitude to Ms. Geeta Prabha for her valuable guidance and inspiration.

EDUCATIONAL VISITS

World Heritage Day – Educational Visit to Gurukul

On the occasion of World Heritage Day, our school organized an educational visit to a Gurukul to acquaint students with India's rich cultural heritage and ancient traditions.

Students of classes IX to XII explored the traditional Gurukul system, ancient education methods, lifestyle, cultural practices, and historical artifacts. They learned about the importance of discipline, moral values, practical learning, and harmony with nature.

The visit was an enriching experience that sparked curiosity among students and helped them connect with their roots while developing respect for our heritage and traditions.

National Panchayati Raj Day – Educational Visit

On the occasion of National Panchayati Raj Day, students of Classes VI to IX visited the Kablana Village Panchayat to gain practical knowledge about local governance.

The students interacted with the Sarpanch and learned about the functioning of the Panchayat, decision-making processes, responsibilities, and village development activities. They actively participated by asking questions and sharing their queries.

The visit provided students with real-life exposure to grassroots democracy and community governance, making it an enriching and memorable learning experience.

Distinguished Educators Visit School

Our school had the honour of hosting a distinguished gathering of educators and academic leaders from the Ganga International Schools network on 31st May, 2026. The event was graced by the presence of Col. Ashok Kaul (Retd.), Director of Ganga International Schools, India.

We were also privileged to welcome esteemed principals: Ms. Swati Joshi (GIS Hiran Kudna), Ms. Prerna Chauhan (GIS Sawda), Ms. Shilpi Chadha (GIS Kablana), Ms. Pankaj Rani (GIS Bahadurgarh), Ms. Arunima Shukla (GIS Rohini) and Ms. Geeta Prabha from Ganga Institute of Education.

The visit provided an invaluable opportunity for interaction, exchange of ideas and strengthening educational partnerships. Their presence motivated our students and staff and reinforced our collective commitment to nurturing excellence in education.

The school community extends its sincere gratitude to all the distinguished guests for enriching the occasion with their esteemed presence.

मोबाइल फोन

मोबाइल फोन मनुष्य द्वारा बनाया गया डिवाइस है। यह हमें कभी भी किसी भी चीज के बारे में बता सकता है यह हमें कभी बोर नहीं होने देता है इसमें हम बहुत ज्यादा मजेदार खेल-खेल सकते हैं जैसे कि- रोब्लाक्स, लूडो, सांप सीढ़ी आदि।

इसमें हम एक दूसरे से बात भी कर सकते हैं लेकिन इसके जितने फायदे हैं उतने ही नुकसान भी हैं। पहले हम फायदे देखते हैं जैसे कि हम किसी से भी कभी भी बात कर सकते हैं। तस्वीर भेज सकते हैं, वीडियो भी भेज सकते हैं। हम खेल खेल सकते हैं।कुछ भी ढूंढ सकते हैं।

फोन के अनेक नुकसान भी है जैसे कि यह हमारी आंखों को बहुत ज्यादा नुकसान पहुंचता है जिसकी वजह से आजकल के बच्चों को चश्मा चढ़ जाते हैं इसकी वजह से आजकल के बच्चों के मानसिक और शारीरिक स्वास्थ्य पर बहुत ज्यादा बुरा प्रभाव पड़ता है जिसकी वजह से बच्चों का कद नहीं बढ़ पाता। इसलिए मेरा यही कहना है कि मोबाइल फोन जितना हमारे लिए फायदेमंद है उतना ही नुकसानदायक भी हैं।

मुकुल कोडान

पेड़

पेड़ धरती की शान हैं , जीवन की पहचान हैं।
छाया देकर थकान हरें, सबके ये बच्चे मित्र बने।

फल फूल देकर खुशियाँ बँट, पंछी इन पर घर बनाते।
हवा को स्वच्छ बनाते पेंड, धरती को स्वच्छ बनाते पेंड।

अगर पेंड न होते यहाँ, सूनी होती सारी धरा।
आओ मिलकर पेंड लगाएँ, हरा भरा संसार बनाएँ।

ओजस

The Singing Shell

I found a shell, a curly one,
Lying on the sand,
I picked it up and took it home,
Pulled inside my hand.
Mummy looked at it, and then
She held it to my ear,
And from the shell there came a song,
Soft and sweet and clear.
And oh! I was surprised to hear
I listened hard, it's true!
I wish you'd find a nice big shell,
And hear it singing too.

Siya

मेरा स्कूल

नाम है गंगा इंटरनेशनल स्कूल,
लगे हैं इसमें सुन्दर फूल| नए नए हैं
इसके रूल,
बड़ा ही न्यारा मेरा स्कूल ॥
चारों तरफ प्रशंसा भारी,
इसकी करते सब नर-नारी,
पढ़ाई और स्पर्धाएं प्यारी
यहाँ की दिनचर्या न्यारी ॥
देश प्रेम के मन्त्र न्यारे
जपते जिनको बच्चे सारे ।
अनुशासन की वर्दी धारे
यहाँ के बच्चे कभी न हारे ॥
क्यों न हो स्कूल पर नाज
विद्यालयों का यह सरताज ।
करें प्रतिज्ञा मिलकर आज,
सदा रखेंगे हम इसकी लाज ॥

My mother

★★★★★

My mother wakes up
early each day,
She helps me learn,
she shows the way.
She makes my food
and keeps me neat,
Her hugs are warm, her
smile is sweet.
When I am sad or feel
afraid,
She holds my hand, my
fears all fade.
She loves me more
than words can say,
My mother makes my
world okay.
